

## Byxa WX2 Stretch Texstar FP25 Svart

En populära byxa gjort av WX2, vilket är en vaxad tråd som använts när tyget vävts. Inbyggd stretch bak och på knän för tuffa tag. Utformad för situationer där rörlighet och smidighet är viktigt utan att ge avkall på tålighet.

|                    |  |
|--------------------|--|
| <b>Färg</b>        | Svart  |
| <b>Material</b>    | WX2-wax nich fabric 65% polyester, 35 % bomull |
| <b>Modellsnitt</b> | Herr   |
| <b>Tvåtråd</b>     | Ej blekning                                    |
|                    | Ej torktumling                                 |
|                    | Maskintvätt Max 40 grader                      |
